## **Sophie sees past fog to take silver**

A relatively Mild but extremely foggy Bracknell Country park was the setting for the second race of the season for our contingent .

With everyone looking to improve from a fortnight ago the pressure was on !

Luckily they came up with the goods..

It was largely impressive day for White Horse Harries with seven athletes finishing inside the Top ten positions . Of the seven Johnny Cornish and Sophie Lloyd medaled taking bronze and silver respectively .

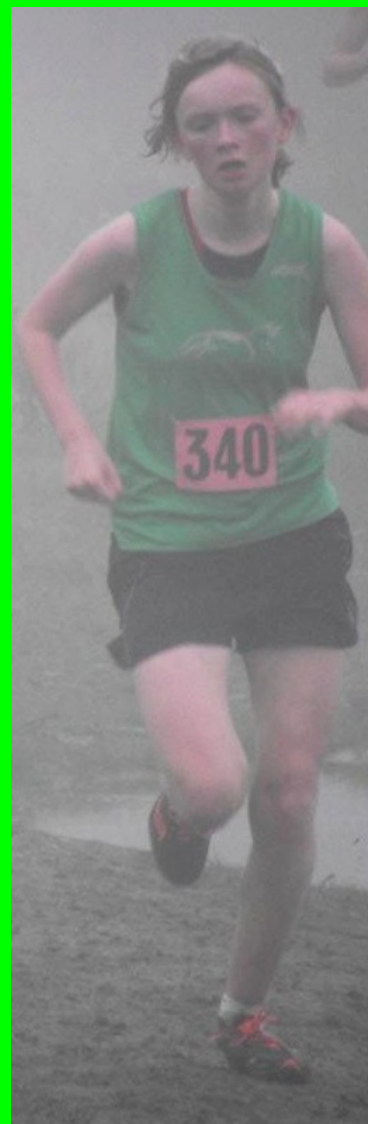

Lloyd's performance was particularly impressive considering She had to compete with the senior women and 17 men , Never the less she held her own and wasn't put off finishing 10th Women overall.

Cornish again running with the senior men ran a superb race ,aided by his trademark fast start he ran a consistent race to finish 7th overall and

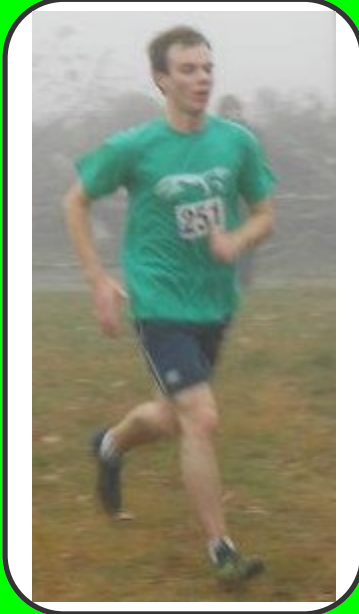

first White Horse Male ,just ahead of Paul Jegou in 10th ,Joined by U20 team mates Alex Mills 29th and Antony Holmes on His senior debut 38th plus seasoned Veteran John Peake The Men's team finished a respectable 5th.

The other junior results Were equally impressive In the under 13's category Okan Onay Marked his first race of the season with 8<sup>th</sup> place ,whilst Benedict Fletcher ran well to finish 23rd .

In the under 15's boys and girls races Ben Claridge and Josie Harrison finished 9<sup>th</sup> and 6<sup>th</sup> respectively .Mitch Lomas finished 11<sup>th</sup> in a strong u17s race in which His finish included a voluntary sprint through the courses huge puddle .
